

December 1, 2022

Dear Customer,

Due to the global economy, the cost of materials, shipping, labor, and equipment has dramatically increased over the course of time. After carefully analyzing the cost upticks, we must inform you of a necessary forthcoming price increase.

Effective January 2, 2023, we will be implementing a 12% price increase on all products, labor, sales, and services. We're giving you this notice to manage and incorporate this change in your planning budgets.

Butler Signature Events greatly appreciates your continued business and support through this time of growth and change. During the first year of COVID, by the grace of GOD, we survived and pushed forward into 2021 and came out ahead. 2022 has been a great year of growth and learning. We pray you will understand the position we are in as a small "**Family-Owned**" business and the necessity of a price increase. When everything else around us went up in price we held steady, but the change is essential.

We are committed to provide a quality product and service. If you have any concerns regarding this price change, please reach out to our team.

With greatest gratitude,

Team Butler Signature Events
